FOIA Request Granted in Part and Does Not Exist or Denied in Part

IRW

Dear IRW IRW

On 10/21/2026, you submitted a FOIA request for the following public records:

1. The agreement under which the Monroe County Jail houses people detained by U.S. Immigration and Customs Enforcement (ICE), including any intergovernmental service agreement, and every modification, rider or rate amendment in effect at any time from January 1, 2024 to the date of the search, with records sufficient to show the current per-day rate and the agreement's term or end date.
2. Invoices sent to ICE and records of payments received from ICE for detention, transport or related services, from January 1, 2024 to the date of the search.
3. Existing monthly jail population records, or, if only daily records exist, the record for the first day of each month, from January 1, 2025 to the date of the search, that show the number of people held for ICE. Counts only; I am not seeking any individual's records.
4. The Board of Commissioners resolution or contract-approval document for the original ICE housing agreement (which I understand dates from about 2008) and for each later amendment or rate change, other than the posted Board minutes themselves.
